

A heartwarming photograph of the Kapoor family celebrating Deepavali. The father, Shah Rukh Kapoor, is seated on the left in a traditional orange and gold kurta. The mother, Kajol Kapoor, is seated in the center in a vibrant pink and gold sari. Their son, Aram, stands behind him in a purple kurta. Their daughter, Suhani, is seated on the right in a yellow and red dress. An orange cat sits on a step behind them. The scene is set on stone steps decorated with numerous lit diya lamps and garlands of marigolds. The overall atmosphere is warm and festive.

Kapoor Family

May the festival of lights illuminate your life with prosperity, happiness,
and the warmth of loved ones near and far.

Shubh Deepawali!

Raj opened the second location of his restaurant this year,
a project that kept the whole family busy — even Arjun
helped design the menu cover.

Priya completed her certification in landscape architecture
and has already transformed their backyard into a garden
the neighbors peer over the fence to admire.

Meera placed second in the regional science fair with her project
on soil microbiomes, with no small help from the family cat
Saffron, who supervised every experiment.
